## FROM PASTOR BECKY ...

For most of us, the last couple of months have caused us to slow down. We are not running our children to sporting events and other activities. We cannot run off to the mall when free time has us searching for something to do. Restaurants are only open for pick-up or delivery so we are spending more time at our own dining room tables, eating off our own plates and drinking from our own glasses. Instead of heading out to the movies we are sitting with our families in our own homes where no one will shush our conversations or our laughter. Sunday morning, as I sat at my table with my husband eating breakfast, I took a deep breath and really took in the moment. Soon, we will be worshiping together again and I will be returning to the days of grabbing a snack and running out the door.

In an interview for the Festival of Homiletics, American theologian Will Willimon suggested that we ask our congregations, "What has God revealed to you in this time?" I have learned that, when I stopped looking at this time as a burden and started looking at it as a gift, I began to cherish all of the little moments. Playing games with my family, tossing a ball for my dogs, long phone calls with friends and family members, these are all things I'm learning to cherish. This is our chance to slow down, my friends. This is our chance to really savor the moments with our family and friends. It is a time to reconnect through phone calls, emails, and letters to friends we haven't spoken to in a while. I leave you with that question to ponder. "What has God revealed to you in this time?"

In light and love,

*Pastor Becky*

During the past month, Fellowship Hall has been painted by Todd Seifert. Trim needs to be finished and bulletin boards replaced, but it looks great. The entire church has been cleaned by Tiffany

Rodrigues and family and the floors have been waxed and buffed by Tom and Kirk. The vegetable garden has been planted by the Wolf's and Gorkos' and the flower gardens have been weeded and mulched by Tom, April, Nancy, Pam and Kirk. Scott Spengler is continuing the heating system repairs.

A huge and heartfelt thank you to all who have mailed in, or dropped off your offering to support LSUCC. Kirk has been making weekly deposits and Diana has been keeping giving records as usual. You are making a huge difference. Online giving through Tithe.ly is another option for how you can contribute to the continued welfare of our congregation without leaving home. Whatever way you choose to give it is appreciated.

If you are including anything other than current expenses in your giving please be sure to indicate where you wish your funds to be used.

## Tithe.ly Giving

An account has been set up with Tithe.ly which allows our church to accept on-line giving. Download the Tithe.ly giving app

or click the “give online” button to give. Your gift is safe/secure and goes directly to our church. Plus you’ll be able to track all your gifts, set up recurring gifts, and more.

## Clothed With Power

by **Talitha Arnold**

*“Wait in the city of Jerusalem until you are clothed with power from on high.” - Luke 24:49 (WEB)*

Personal Protective Equipment (PPE) is much in the news right now. From grocery clerks to medical staff, bus drivers to nursing home aides, essential workers need protective clothing, goggles, and other gear to ward off the coronavirus and stay safe. The rest of us also need masks and gloves, not just for our protection, but to protect others from ourselves.

In Luke’s final resurrection story, the risen Christ reminds his disciples of their need for another kind of PPE, too. “Wait in Jerusalem,” he tells them, “until you are clothed with power from on high.”

Like the disciples, we need to be clothed with God’s power, especially in this time. Whether we’re on the front lines in a hospital ICU, stocking groceries at a supermarket, or sheltering in place in our apartments or homes, we need to be clothed with the power of God’s love that overcomes despair. Clothed with the power of God’s peace that calms our anxious spirits. Clothed with the power of God’s compassion to stay open to the needs of others. Clothed with the power of God’s wisdom to know what we must do, and clothed with the power of God’s courage to do it. Most of all, we need to be clothed with the power of God’s presence that holds us, comforts us, connects us even in isolation and quarantine.

We need God’s PPE right now. Whether at home in our pajamas or clad in scrubs, masks, and gloves, we need to let God wrap us in power and hope, love and wisdom this day. Every day.

### Prayer

God, remind us to pray every morning for you to clothe us all with your power, wisdom, and love. Amen.

LSUCC has received a loan from the Payroll Protection Program through BB&T Bank. This loan is forgivable by the Federal government and will not have to be repaid if used to keep our staff employed and paid. It is for \$10,600 and is designed to cover payroll and utilities for two and one half months. This will greatly help the church until we get back to normal operation.

## Installation of Rev. Dr. Bonnie Bates, PNE Conference Minister

Bonnie’s installation date has been moved from June 28 to November 7 – as part of the fall conference meeting.

## **WORSHIP COMMITTEE NEWS**

During the Coronavirus crisis, Pastor Becky has been recording her Sermons and loading them to our Facebook page and has been sending a written copy by email. Sermons are now viewable on our church website as well. The past several weeks her sermons have been viewed by more than 150 individuals. We have also had a number of new friends joining our Friday Stop to Pray Events. You can join us as well. If you are a Facebook friend, look for the invitation. If not, just take a few minutes wherever you are at 6:30 PM on Friday evenings to offer prayer. If you are unable to view sermons online or receive written copies by email, paper copies can be mailed. Just leave a message at the church office requesting that we do so.

In an online children's sermon many of us were introduced to Flat Jesus. Flat Jesus is a takeoff of Flat Stanley, a character from a children's book who photo copies himself and mails himself to other places around the world and by so doing has many adventures. In her sermon, Pastor Becky invited all of us to color in our Flat

Jesus and keep him near to remind us that Jesus is always with us. She also invited us to take pictures of what Flat Jesus is doing with us and our families. If you email those pictures to the church office, we can share them with our church members, helping us to keep in contact during the no contact weeks ahead.

### FROM THE CHURCH OFFICE

Our church registry is now digitized and up to date. More than 100 pages have been added to volume 2 of our record book. I've been keeping up with recording giving, calendar changes and memorial gifts. I've also been able to make some changes to our church website, including calendar changes as well as adding links to Tithe-ly, our online giving service and a link to Pastor Becky's digital sermons. If you have a chance to visit our church website and have any suggestions about content or on making it more user friendly, I'd love to hear from you.

### A message from our Conference Minister included in "This Week In PNEC"

Hello friends,

A couple things have come into to mind and awareness that I want to share with you this week. The first is the need for us to continue to be cautious about the decisions we make: about gathering, about mission, about our public and private stances on issues. These are really difficult times, but the times are not the same for all of us. One of the UCC Daily Devotionals from Vince Amlin reminded me, and I hope will you, that we all come from different places and perspectives in this time of pandemic. Here are his words: The Same Boat, Vince Amlin, May 18, 2020

*"The soldiers' plan was to kill the prisoners ... but the centurion ordered those who could swim to jump overboard first and make for the land, and the rest to follow, some on planks and others on pieces of the ship. And so it was that all were brought safely to land." - Acts 27:42-44, excerpted (NRSV)*

"Some say we're all in the same boat during this pandemic. But as this story from Acts shows, even people in the same boat aren't in the same boat. Some can swim; some can't. Some have decision-making power; some don't. Some have just been saved from death; others are still heading to their executions. Not the same boat.

When I pray with members of my congregations who still have to leave their homes every day to do work that is unsafe, I know we're not in the same boat. When I hear my friends Kaji and Donna describe ministry in New York City, where, as I write, almost 1 in 400 people has died, I know we're not in the same boat. When I see that black citizens of Chicago are dying at 6-times the rate of whites, I know. We are not even in the same storm. Paul himself offers a different model of solidarity. "Rejoice with those who rejoice, weep with those who weep." Rather than claiming we're in the same

boat, the gospel tells me to find out about my neighbor's boat. Seek to understand their experience of this storm. And listen when they tell me what I can never understand. It prompts me to ask how we ended up in such different boats. And do something about it. And not stop until everyone is brought safely to land."

This was a good reminder for me. I hope it is for you as well.

A YouTube video reminded me, however, that we are all in this together – even if it's not the same boat or storm. I hope it will lift your spirits, because truly we are all in this together...
